### What is the 24 Hour Show?

No-one knows what show will be announced, but once it is revealed, the full length musical will be produced in just 24 hours including casting, costumes, sets, lighting, sound, music, rehearsals and more... organised mayhem!

### Where does the money go?

All proceeds will go to the McGuinness McDermott Foundation to assist in their goal of improving all areas of Oncology treatment facilities for children in South Australia.

### Who can get involved?

Anyone and everyone! There are a range of jobs that need to be done, including performing, orchestra, direction, choreography, design, costumes, painting... even if you just want to make the tea, collate program materials or assist a performer in learning their lines, we have a job for you!

### How do I register my interest?

Anyone wanting to be involved with the 24 Hour Show needs to register. Registration forms are available at [www.theatreguide.com.au](http://www.theatreguide.com.au) or contact us to request one to be sent out.

### What other ways can I support the project?

This project needs sponsors and great marketing benefits are available to reach our wide audience. To find out more about these benefits, call Hayley on 0412 441 367.

### How can my theatre company get involved?

Tell everyone you know about the project! Your members are who we are after. As it is a quiet time of year, most theatre companies will find the 24 Hour Show will not conflict with rehearsals or performances. Let your members know what it's all about and give them the details on how to register.

We need sets, costumes, vehicles and more that we cannot possibly create from scratch. If you are able to offer the loan of any of these items, contact us via the website or by emailing [24hour@theatreguide.com.au](mailto:24hour@theatreguide.com.au) to register your support.

### I want to watch the mayhem, how do I book tickets?

Bookings will be available through BASS from Wed 16 November, 2005 by calling 131 246, online at [www.bass.net.au](http://www.bass.net.au) or at any outlet.
